## TRAPPERS TURN

---

**W**hat began as a championship golf course has since gone beyond, offering the best amenities for a variety of special events. The Italian inspired clubhouse features over 10,000 square feet of space masterfully designed for large golf events, smaller group getaways, business meetings, weddings and special gatherings.

**THE GOLF COURSE at Trappers Turn** - Andy North and Roger Packard masterfully molded a 27-hole layout to match and enhance natural land features. The three nines offer a perfect blend of individual characteristics, complementing playability and challenge.

**GOLF OUTINGS at Trappers Turn** - Provides the complete golf outing experience: a quality course, unique and delicious food and a well-designed clubhouse that accommodates groups of all sizes. Personalized service and our knowledgeable staff help put the final touches on the perfect golf event.

## **THE CLUBHOUSE at Trappers Turn**

Offers five distinctly different, in size and functionality, spaces for you to enjoy. The Main Dining Room is the ideal setting for groups of 65 or more, while entertaining on the scenic Veranda or Pub Room play well for more intimate groups. The North Room provides the perfect locale for private business meetings, weddings rehearsals and those various other special gatherings.
